**2011 Blizzard Declared a Major Disaster by the President**

I am pleased to announce that President Obama has declared a major disaster for many Illinois counties, including DuPage, as a result of the severe storm/blizzard that occurred last month. Our Emergency Services Coordinator Tim Vaclav will be participating in upcoming meetings in order to complete our application for reimbursement. It is possible the Village will receive 75% reimbursement for our costs. The Board will recall that we estimated the total cost for a 48-hour period during the height of the storm to be \$78,191.92.
